

Subject: Webinar this Friday to gather comments on Medicaid Waiver

**Sign up for Webinar as time for feedback on Medicaid Waiver ends August 24**

The Health Care Authority (HCA) and the Department of Health and Social Services (DSHS) want to know what you think about the proposed Medicaid Transformation waiver before it's submitted to our federal partners in late August.

This waiver would help improve services and accelerate change across systems for the 25 percent of the state's residents on Apple Health by allowing Washington State to use federal savings to finance health transformation efforts. The changes aim to provide new flexibility for individuals receiving long-term services and supports so they can maintain their independence and quality of life, and funds nontraditional services for targeted populations.

HCA will accept comments through 5 p.m. Sunday, August 23.
